Paint-on easy to apply pine based product that provides an effective natural barrier against fungal and bacterial diseases.

ACTIVE INGREDIENT: InocBloc™ Pine Tar

NET CONTENTS: 5kg

GSIOPP765/F2

Grosafe®

ACTIVE INGREDIENT: InocBloc™ Pine Tar.

HSNO CLASSIFICATION:

3.1D - Combustible liquid

9.1C - Harmful to aquatic life with long lasting effects

ALWAYS READ LABEL BEFORE USE

Avoid release to the environment.

Keep away from heat, sparks, open flames or hot surfaces. No smoking. In case of fire: use dry chemical, foam, or carbon dioxide (CO2) for extinction.

Wearing rubber gloves is recommended when applying as product requires either ethanol, methylated spirits or alcohol based hand sanitiser to remove from skin and brush applicators. Wear eye/hand/clothing protection if there is a high chance of splashing.

EMERGENCY RESPONSE 0800 CHEMCALL

STORAGE & DISPOSAL:

Store in original container with lid tightly closed, and well out of reach from children. Store in a ventilated, cool place. Avoid freezing conditions as product will harden. Dispose of container at approved landfill or rubbish collection service.

APPLICATION RECOMMENDATIONS:

- Avoid applying **InocBloc Organic Prune 'n'Paste** in damp or humid conditions.
- Always use sharp pruning tools (and sanitise tools with an approved sanitiser).
- Ensure **InocBloc Organic Prune'n'Paste** is only applied to clean, dry wounds.
- Brush **InocBloc Organic Prune'n'Paste** onto wound as soon as possible after cut is made.
- Ensure a thick, even layer is applied onto the wound surface and 1cm below edge of cut.
- Always apply on clean, healthy plant tissue.
- Clean equipment with ethanol, methylated spirits or alcohol based hand sanitiser.
- Skin can be washed down with alcohol based hand sanitiser if required.
- In cooler temperatures the product may require gentle warming for ease of use.

APPLICATION RATES:

Apply a generous, even layer to any cut, or open surfaces on vines and trees with the applicator brush cap.

Refill Directions

Remove Brush Cap and use 5kg **InocBloc Organic Prune'n'Paste** refill pack to recharge your applicator.

GENERAL INFORMATION:

InocBloc Organic Prune'n'Paste is a unique, BioGro certified, paint-on easy to apply, pine based product that provides an effective natural barrier against fungal and bacterial diseases.

InocBloc Organic Prune'n'Paste is a bio- degradable organic pine tar that poses no specific risk to plants or land. It has a distinctive wood smoke odour that can remain on the treated cut for a few weeks.

WARRANTY This formulation is warranted to contain the specified active ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer's control. The manufacturer declines all liability for damage resulting from improper storage or use of the product.
