ECOSPREAD®

EcoSpread®

SUPER SPREADER

Enhances the performance of fungicides, insecticides, herbicides, growth regulators and foliar fertilisers.

200ml

GSES279/F01

EcoSpread®

HSNO HAZARD CLASSIFICATION: Acute dermal toxicity Category 4, Acute inhalation toxicity Category 4, Skin irritation Category 2, Serious eye damage Category 1, Hazardous to the aquatic environment chronic Category 2

DANGER: Keep out of reach of children

GENERAL INFORMATION: Read label before use

ECOSPREAD® is a super spreader surfactant that enhances spreading when used with herbicides, insecticides, fungicides, growth regulators and foliar fertilisers. As a super spreader, the sprayed droplets are distributed widely and rapidly resulting in an evenly wetted plant. ECOSPREAD® improves active ingredient uptake by increasing the penetration through the waxy layer of leaves, even under difficult conditions e.g. hot and dry.

DIRECTIONS FOR USE:

Apply ECOSPREAD® at the rates listed below:

PRODUCT	CROP	ml/10 litres	
Insecticides and Fungicides	Row crops (including cereal crops), Fruit trees and Vines, Vegetables, Ornamentals	5 -10	Use the higher rate for hard to wet plant foliage
	Growth Regulators	All	
Foliar Fertilisers	All	5 -10	
Herbicides		5 -10	

Mixing:

Half fill spray tank with water and begin agitating. Add chemicals according to label instructions, whilst maintaining agitation. After all other chemicals and fertilisers have been thoroughly mixed, shake ECOSPREAD® container thoroughly and add required amount.

Batch No:

Date of Manufacture:

TOXICITY: Harmful if contact with skin or if inhaled. Causes serious eye damage and skin irritation.

ECOTOXICITY: Toxic to aquatic life with long-lasting effects.

Do not apply directly into or onto water. Take all reasonable steps to ensure the substance does not cause any significant adverse effects to the environment beyond the application area.

PERSONAL PROTECTION: Avoid skin and eye contact and inhalation of vapours/mist/spray. Use outdoors or in well-ventilated area. When mixing or applying, wear overalls, impervious gloves, eye/face protection and respirator. Wash hands and exposed skin thoroughly after handling.

Wash contaminated clothing and personal protective equipment before re-use.

STORAGE: Store product in original container tightly closed and in a dry, cool, well ventilated area away from foodstuffs. When stored appropriately this product should show no significant degradation within 2 years from date of manufacture. Contact the proprietor for further information about the use of any product that is older than this.

SPILLS AND DISPOSAL: When dealing with spills wear personal protective clothing and equipment as described in the PERSONAL PROTECTION section. Contain and absorb with suitable inert absorbent material and store in properly labelled, sealed drums for safe disposal. If spray mixture is spilled absorb and collect in drums as above. Deal with all spillages immediately. If contamination of drains, streams, watercourses, etc. is unavoidable, warn the local water authority.

PRODUCT DISPOSAL: Dispose of product to an approved landfill.

CONTAINER DISPOSAL: Triple rinse container and add residue to mixture. Dispose of rinsed container in recycling. Do not use for any other purpose.

SAFETY DATA SHEET: A safety data sheet is available from Grosafe Chemicals Ltd.

FIRST AID: If medical advice is needed, have product container or label at hand.

IF INGESTED: Rinse mouth. Get medical advice.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTRE or doctor.

IF ON SKIN: Wash with plenty of soap and water. Get medical advice if you feel unwell. If skin irritation occurs: Get medical advice.

Take off contaminated clothing and wash before reuse.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Get medical advice if you feel unwell.

EMERGENCY RESPONSE 0800 CHEMCALL: (0800 243 622).

Compatibility: ECOSPREAD® is compatible with most fungicides, insecticides, herbicides, plant growth regulators and foliar nutrients, provided they are suited for low volume applications. ECOSPREAD® should not be used where the product label prohibits the use of surfactants.

Approved pursuant to HSNO Act 1996, No HSR002503 See www.epa.govt.nz for approval conditions.

WARRANTY This formulation is warranted to contain the specified active ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer's control. The manufacturer declines all liability for damage resulting from improper storage or use of the product.
